Crazy Whist* Night

Fri 18th 7pm

Come and join the fun, pizza on arrival and supper provided, \$25 a head will not only get you this but a fun night of cards and raising money for the Cancer Council. No experience necessary, but be ready for lots of fun!

*Whist is a classic English trick-taking card game which was played widely in the 18th and 19th centuries. It derives from the 16th century game of Trump or Ruff, via Ruff and Honours. Although the rules are extremely simple, there is enormous scope for scientific play.

HBYC AGM

Fri 16th 8pm

In the last 12 months HBYC has been very busy with many projects, fences, politics, planning, boundary re-alignments and making major decisions about its future.

Nomination forms and notice of meeting will be sent out to all voting members. By nominating and/or voting for next year's General Committee and Flag Officers, you choose who influences HBYC future and its ongoing daily life. Elected members shape the future of HBYC. Get the HBYC you want! If you don't vote, don't complain.

Why not get involved in your club over the winter?

This month we are looking for members to join sub-committees...

Yes, this is a call for volunteers; please get involved in YOUR club. There is a sub-committee at HBYC that can use your skills and enthusiasm... Choose from: Communications, Membership, Social, House, Race (Sailing), Cruising, Marina, Strategic, Planning & Projects and Finance. Even if you only have a couple of hours a month to help, please contact the Office and register your interest with Peter – 9397-6111

Got any winter warmer ideas?

We are looking for ideas to get members into the club over winter. We have had a film night which was received well and we are doing again in both June and July. Any ideas please send to communications@hbyc.asn.au

Go to www.hbyc.asn.au to join our email list to receive weekly updates on what's going on in the club...

The screenshot shows the Hobson's Bay Yacht Club website. At the top, it says 'est. 1888' and 'Hobson's Bay Yacht Club'. Below this is a row of five images: the club's logo, a person on a boat, a sailboat, a sailboat with a red and white sail, and a person on a boat. In the bottom left, there is a 'HOME' button. In the bottom center, there is a 'latest news' section with a green arrow icon, containing the text 'Want to join our email list? Send an [email here](#)'. In the bottom right, there is a 'racing news' section with a red arrow icon, containing the text 'Melbourne to Var Race Celebrati' and '5th June BBO and I'. A red circle highlights the 'latest news' section.

Why not bring the family/friends and enjoy the best view of Melbourne?
