

The Junior Fleet finished sailing for the 2010/2011 season on the 11th of April, a month later than last year. Last year was the first time we had a separate awards day/BBQ, so we continued the tradition this year on Sunday the 1st of May.

Again this season all of the juniors have progressed very well with their sailing, we ran the AYF Get into Small Boat Sailing courses including Basic Skills 1&2, Better Sailing and this year for another 1st Racing Skills 1.
